CHARGING THE SPEAKER

The speaker has a built-in Lithium battery. It is recommended to charge the internal battery for about 2 hours before using the speaker.

The fully-charged battery can give up to 7-hour playing time at 50% volume depending on genres of music and volume.

1. Connect the micro USB plug end of the supplied cable to the charging port on the back of the speaker. Connect the standard USB plug end of the cable into the USB port on your computer or other USB charging device.

The indicator light will illuminate red.

2. When the indicator light goes out, the battery is fully charged.

3. After charging, remove the micro USB cable.

Low battery warning:

When you hear two beeps at regular intervals, please recharge the speaker.

PAIRING WITH A BLUETOOTH-ENABLED DEVICE

1. Turn on the speaker.

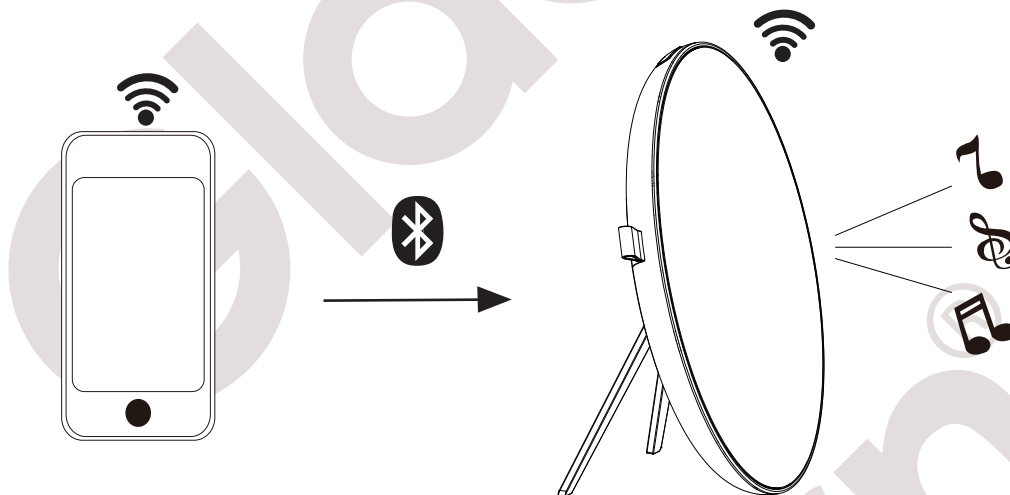

- The speaker will enter Bluetooth mode and the indicator light will flash blue quickly.

2. To pair, go to Bluetooth settings on your Bluetooth enabled device and connect to "Gladorn SoundPlato".

- Enter "0000" if asked for a passcode.

Mode	Status
Bluetooth pairing	The indicator light will flash blue quickly.
Paired	You will hear jingle sound and the indicator light will flash blue slowly at regular intervals. NOTE: Once the Bluetooth device is connected for the first time, the speaker will remember the paired setting and will automatically reconnect to the same Bluetooth device the next time they are in range.

LISTENING TO MUSIC

- Once the speaker has been successfully paired to your music device, you can listen to music by using **⏮**, **+** and **-**.
- Adjust the volume as desired by repeatedly pressing **+** / **-**.
- Select the desired track to play by pressing **⏮** and holding **+** / **-** for about 3 seconds.
- To pause, press **⏮**. To resume play, press **⏮** again.

NOTE:

When you want to playback from another Bluetooth device, press **⏮** twice to disconnect the speaker by from the Bluetooth device already in use.

HANDS-FREE FUNCTION:

1. To receive an incoming call, press **⏮**.
2. To end a call, press **⏮** again.

LINE IN

1. Connect the supplied audio cable from an auxiliary audio device to the LINE IN jack of the unit.
The indicator light will illuminate blue.
2. Adjust the volume by repeatedly pressing **+** / **-**
3. Press **⏸** to mute the music, Press **⏸** once more to listen again .

CLEANING AND MAINTENANCE

Clean the unit with a soft, damp cloth and wipe it with a dry cloth.
Never immerse it in water. Do not use abrasive or chemical cleaning agents.
Store the unit in a cool, dry place, away from the dust or dirt.

DISPOSAL

As a responsible company we care about the environment. As such we urge you to follow the correct disposal procedure for the product, packaging materials and if applicable, accessories and batteries. This will help conserve natural resources and ensure that the materials are recycled in a manner that protects health and the environment.

You must follow laws and regulations about disposal. Waste electrical products and batteries must be disposed of separately from household waste when the product reaches the end of its life. Contact the store where you bought the product and your local authority to learn about disposal and recycling.

The batteries must be disposed of at your local recycling point.

We apologise for any inconvenience caused by minor inconsistencies in these instructions, which may occur as a result of product improvement and development.
